ADVANCED EXCEL CERTIFICATION COURSE

QUALITY EDUCATION FROM QUALITY PEOPLE

ADVANCED EXCEL CERTIFICATION COURSE

The Advanced Excel Certification Course by Tech Learniversity is designed to help learners master the full power of Excel — from advanced functions and data analysis to building professional, interactive dashboards. Through this hands-on, instructor-led live program, you'll learn to transform complex data into clear, actionable insights using the world's most widely used spreadsheet tool.

Course Overview

Master Microsoft Excel, the world's most widely used spreadsheet tool that transforms raw data into powerful reports, dynamic dashboards, and actionable business insights. This course by Tech Learniversity covers every essential aspect — from advanced functions and data analysis to pivot tables, what-if analysis, and professional dashboard design. Whether you're a working professional, student, or career changer, this training ensures you become job-ready for roles in finance, data analysis, business intelligence, and operations.
